

English Assignment (Winter Vacation)

Class 9

Extensive reading fills the mind with information and ideas which inspire and provide for further thought and lead to new ideas. A “full” mind is obviously better than an empty, or ignorant, one.

Read the following stories in the vacations to enter and explore territories which are difficult to enter and explore in person or to expand the imaginative aspect of the mind and to conceive the ideas which you might find foreign:

-) Dusk by Saki
-) Paying for His Tea by Harsh Mander
-) Folk Tales from India: A selection of Oral Tales from twenty two languages selected and edited by A.K.Ramanujan
-) The Three Sisters by Anton Chechow
-) Riding the Ranges by Bill Aitkin
