PROJECT (HOLIDAY HOMEWORK)

Ancient Wisdom: Let us know more about Myths and Legends

A myth is an ancient traditional story about Gods, heroes and magic whereas the legend is also a story which may or may not be true. Have you heard of ancient Greek, Roman and Indian Myths & Legends. In earlier times all the elements of nature were personalized as Gods and Goddesses so that man was able to show respect to nature.

Here is a list of some **Ancient Greek Gods and Goddesses and their Roman counterparts:**

1. Zeus -Jupiter
2. Hera -Juno
3. Poseidon -Neptune
4. Hades -Pluto
5. Ares- Mars
6. Hermes - Mercury
7. Apollo - Apollo
8. Artemis - Diana
9. Athena- Minerva
10. Hestia- Vesta
11. Demeter- Ceres
12. Aphrodite - Venus
13. Hephaestus - Vulcan
14. Heracles -Hercules
15. Eros - Cupid
16. Orpheus -Orpheus
17. Pandora -Pandora
18. Pegasus -Pegasus
19. Kerbero -Cerbeus

Find out what each God represents in their culture. Find Indian Gods and Goddesses who correspond with the same elements. Write down 2 myths related to the elements of fire or air.

PROJECT

Flying through time: A Look at the history of flight

Since times immemorial man has watched birds soaring in the sky and made many failed attempts at flying. The relentless efforts ended in the triumph of human will; man flapped, glided and finally flew AFTER DECADES OF STRUGGLEEver since hundreds of inventors have tried to engineer their way into the skies with newer and more sophisticated flying machines.

Keeping the broad parameters enumerated as follows prepare a project file:

- How has flight changed over times: from a hot air balloon to a space shuttle.
- Write a timeline of aviation history: the important landmarks
- Were Vimanas and Udan Khatolas, as mentioned in the Vedas real?
- The Wright Brothers and their contribution to aviation industry.
- The role of aero planes in the World Wars.
- The advent of the space ships and travel into outer space - enlist a few firsts in the history of space travel.
- Record the feats of some famous aviator.
- Make a paper plane and stick it in .
- Aviation vocabulary:

Ornithopter
Dirigible
Gondola
Fuselage
Cockpit

Biplane
Zeppelin
Aileron
Hindenburg
Monoplane

- Have you ever taken a journey by plane. Describe your journey.
