Laxman Public School, Hauz Khas: A workshop for the students of classes V to X was organised with Doctors from National Academy of Burns India. The students were explained the measures to be taken to reduce the incidence of burns during the festive season. The main topics included 'Safety at work', 'Protecting children', 'Safe kitchen' and 'Safe house'. Prevention measures and basic first aid were also taught. Students organised a rally to make a conscientious effort to spread the message of 'Say no to crackers'. The students of class-VII conducted a special assembly on the topic 'Safe Diwali' and asked their peers to refrain from using crackers. Chil-

Children decorated the corridors and classrooms with lanterns. The Environmental club of the junior wing made posters and wrote slogans to sensitise students about the pollution caused by fire crackers.
