

**Laxman Public School**  
**Holiday Homework**  
**(2017-2018)**  
**Class VII**  
**Subject: Computer**

- **Revise Chapter 9 and 10.**
- **Activity:** Create Web Pages with HTML tags.
  1. Create a simple web page on the topic 'Our National Bird'. Set an image of the bird as the background with suitable CSS property.
  2. Create a simple web page giving some inspirational quotations. A horizontal line should be drawn after each quotation to separate them .Also set the background color as pink.

**Instructions**

1. Platform: Notepad & Web Browser
2. Paste Printouts containing output and write HTML code in Notebook
3. The soft copy of Web Pages is to be submitted in well labeled CD.
