Laxman Public, Hauz Khas, organises green campaign

HT Correspondent

Students of Laxman Public School, Hauz Khas, took part in an environment drive. Children of the junior school planted a wide variety of trees within the IIT campus under the Greening Delhi project.

The children of preschool, pre-primary, Classes 1 and 2 made badges and learned the importance of the 3 R's: reuse, recycle and reduce.

They also made a promise to "Save the Mother Earth". The green thumb caught the students of Class 6 and they planted ginger, turmeric, colocasia, and basil in the school's herbal garden.

Delegates from environment ministry of Fukuoka Prefecture (Japan) Motoka Kubota, Daiki Abe along with Dr B C Sabata of department of environment and forests (NCT) visited the school to get a firsthand knowledge of Eco Club activities conducted in the school.

A tree plantation drive within the school was conducted to

Students planted saplings and promised to 'Save Mother Earth'

commemorate their visit.

To understand the condition of the Indian rivers, the students organised a special morning assembly.

The special assembly included an inspiring talk on the importance of rivers, a poem, a

group song highlighting the life-giving role of rivers and a small play to highlight the measures to be taken to conserve river water and to reduce pollution.

This was held in support of the Rally for Rivers project of Isha Foundation.
