

*Dear Children,*

*Hurrah! Its summer time once again. Summer Vacation are synonymous with fun, frolic and playing for longer hours with friends. But dear children, there is a lot more you can do to make your vacation more interesting and meaningful. So here are some activities given just for you.*

*Few guidelines for the Parents*

- ) Knowledge is power:- Encourage your child to cultivate the reading habit, as it not only enhances the knowledge acquired but also develops the vocabulary and language skills.*
- ) A healthy mind lives in a healthy body:- Encourage your child to go out and play everyday.*
- ) Communication skills – These play a pivotal role in grooming the overall personality of the child. Converse with your child in English to help him/ her be more comfortable with the language.*
- ) Spend quality time with your child engaging him/her in activities.*
- ) Sensitize your child about the rich culture and heritage by watching different informative channels like ‘The National Geographic’, ‘Animal Planet’ etc.*
- ) Encourage your child to do the given activities himself/ herself. Appreciate him/ her for his/her work.*
- ) Make your child do all the activities in the space provided in the booklet only.*
- ) No activity is compulsory.*
- ) Try to make him/her do as many activities as he/she can.*

*Hope you have a wonderful and enjoyable holidays.*
