Friends play an important part in our life. The friends we meet in school teach us how to be patient, wait for our turn, reach out, and try new hobbies. Life is complete when you have friends around.

Read this short poem about friendship.

I can be a pal

By Kristen Smith

I can be a pal by smiling at you,
I can be a pal when you feel blue.
I can be a pal who is honest and kind,
I can be a pal when you're in a bind.
I can be a pal by saying please and thank you,
I can be a pal when no one wants to.
I can be a pal every single day,
I can be your pal, what do you say?

Q1. Write a paragraph on how can you help a friend.

Q2. You must have read many stories and seen cartoons on friendship. Name a few pairs known for their friendship. Eg: Krishna and Sudama.

Q3. Read this letter which you would like to send to your 'pen pal'. Complete the blanks using correct form of the verb. You may use some of the verbs more than once.
